A STATEMENT OF THE  
**COURSE OF INSTRUCTION, EXPENSES, &c.**

IN THE  
THEOLOGICAL SEMINARY OF THE DIOCESE OF OHIO, KENYON  
COLLEGE, AND KENYON PREPARATORY SCHOOLS.

This Institution was originally chartered as a Theological Seminary. Subsequently an additional charter was granted, conferring upon the Institution the name and all the privileges of a College. For the convenience of those intending to become members of the College or of the Theological Seminary, as well as to prepare young men, to engage in the active duties of life, without taking a full College course, a Grammar School has been established, divided into a Junior and a Senior Preparatory Department. So that the Institution now consists of four distinct departments: the Theological Seminary, the College, the Senior and Junior Preparatory Schools.

The location of this Institution contributes much to the attainment of the ends for which it was established. It is situated nearly in the centre of Ohio, at a distance from any city or village, in an elevated and healthy position, and in a neighborhood peculiarly free from the temptations and dangers to which young men are often exposed. The authorities of the Institution have the exclusive control of the lands, belonging to the Corporation, extending about a mile and a half in each direction from the College buildings. No portion of these lands can be sold; but are leased on such conditions and to such persons, that, it is confidently believed, that from this source no influence of an injurious tendency will be exerted.

It may also be proper to state that facilities for Manual Labor are, to some extent, afforded; which, it is expected, will be increasing. About eighty acres of land of the best quality are already devoted to this object—the services of a competent Superintendent have been secured—and a common table is provided, at which board is furnished at the actual cost, the price in no case exceeding one dollar and twelve and a half cents per week.

Labor may be performed on this land by students, at such times and in such manner as shall be prescribed; the avails of

such labor shall be received by the Superintendent in payment for board, and credited to the student at the regular market price; or, if preferred, the labor itself shall be credited at its worth. It is supposed that three hours' labor per day will be fully equivalent to pay the cost of board.

From experience it is found that a student skilful in any branch of *mechanical* labor, may, without difficulty, pay all his College bills.

#### LIBRARIES.

The Societies' Libraries, . . . . .	2546 "
The Library of the Theological Seminary and College, 4300 "	

Total, . . . . . 7546 vols.

A Society has also just been organized, the object of which is to collect a Library composed of text books only, to be loaned for a small sum to such Students as do not choose to purchase books—thus saving an important item of expense—an item too, which, as circumstances have heretofore been, no student could avoid.

## THEOLOGICAL SEMINARY.

#### BY-LAWS.

##### OF THE PROFESSORS.

1. The instructions of this Seminary shall be carried on by the following Professors, viz:—

1. A Professor of Pastoral Theology and Pulpit Eloquence.
2. A Professor of the Evidences of Christianity and Systematic Divinity.
3. A Professor of Oriental and Greek Literature and Biblical Interpretation.
4. A Professor of Ecclesiastical History and Church Government.

2. These Professors, including the Bishop of the Diocese, who is ex-officio President, shall have the exclusive government of the Theological Students; and shall, for the maintenance of discipline, and for securing the full benefit of the prescribed course of theological study, hold meetings from time to time, and adopt such regulations subordinate to these by-laws, and in consonance with them, as may be thought advisable.

#### OF THE STUDENTS.

1. Any candidate for orders in the Protestant Episcopal Church in the United States, may, on examination, be received as a student in this Seminary; or any other person, who may give sufficient evidence of a fair moral and religious character.

2. Every Student shall, on his admission into the Seminary, subscribe the following declaration in the matriculation book of the Seminary;—"We the subscribers, Students of the Theological Seminary of the Protestant Episcopal Church in the Diocese of Ohio, do solemnly promise, with reliance on Divine Grace, that we will faithfully obey the laws and prosecute the studies thereof, endeavor to promote the reputation and interests of the Seminary, and make daily effort by pious reading, self examination, and secret prayer, to cultivate all religious and moral dispositions and habits, and grow in those graces which should characterize the Christian and the minister of the Cross."

3. No student shall be admitted, or expelled, or receive a regular dismissal, without the approbation of the President.

4. On the admission of a Student, his name shall be entered in a book to be kept by the faculty for that purpose, with the time of his admission. When he leaves the Institution, the time of his departure also shall be registered.

5. Every Student, unless excused by the President, shall attend morning and evening prayers at the Chapel of the Institution, with the members of the other departments.

6. No Student shall absent himself from recitation, without first obtaining permission from the officer to whom he was to recite.

7. Every Student in this Seminary must be a member of one of the classes, and engage in all the studies which appertain to that class.

8. No Student shall absent himself from a public examination of his class, unless authorized by the President, without forfeiting his standing in the Institution.

2. Theological Students may attend, gratuitously, any recitations in the Collegiate department of the Institution, which they choose, provided it do not interfere with their other engagements.

10. Each student may take out of the Library three volumes a week, and such others, as the professor, to whose department the books relate, may authorize in writing.

#### PREPARATORY QUALIFICATIONS & COURSE OF STUDIES.

1. The literary qualifications for admittance into the Junior Class, are, a knowledge of the general principles of Natural and Intellectual Philosophy and Rhetoric, and such an acquaintance with the Latin and Greek as will enable the Student to construe and parse Sallust, Cicero's Orations, Virgil's *Aeneid*, Jacob's Greek Reader, or the *Cyclopedia*, and the four Gospels and Acts of the Apostles, especially the two last.

In order to enter a higher class, the candidate must have passed a satisfactory examination on the studies of the lower.

2. The full course of study in this Seminary shall occupy three years, the Junior, Middle and Senior; each year comprising two terms, and the Students shall be divided into three classes corresponding with these years, and indicated by the same names.

3. Of each class the Studies shall be as follows:—

#### JUNIOR CLASS.

Stuart's Hebrew Grammar, Hebrew Chrestomathy and Hebrew Course. Biblical Antiquities, Biblical History, Principles of Interpretation. Septuagint, Stuart's Grammar of the New Testament Dialect, Newcome's Harmony of the Gospels. Introduction to the Old and New Testament. Evidences of Christianity.

#### MIDDLE CLASS.

The Interpretation of the Old and New Testaments will be continued by this class under the instruction of the Professor of Biblical Learning, and the systematic study of the Doctrines of Natural and Revealed Religion will be commenced with the Professor of Systematic Divinity. The study of Ecclesiastical History also will be begun, with the instructor in that department.

#### SENIOR CLASS.

This class will attend, principally, the Professors of Systematic Divinity, of Ecclesiastical History and Church Government, and of Pastoral Duty, and occasionally the Professor of Biblical Literature, under such arrangements as may be made by the Faculty.

In addition to the regular instructions given by the Professor of Pastoral Duty to the Senior Class, occasional exercises will be assigned by him to *all* the classes.

4. The details of this course may be altered and arranged at the will of the Faculty.

5. There shall be two public examinations in each year, one at the end of each term.

6. At the conclusion of a full course of study faithfully pursued, each Student shall receive a testimonial of the same signed by the President and Professors.

---

Theological Students are charged \$50 per annum, which covers the expense of board in Commons, Room, Physician's Services and incidental charges.

No charge is made for Instruction or use of Library.

Several Scholarships have already been established equal to the present demand and others as they may be called for, will, we doubt not, be established by the liberality of the Christian public, to defray the expense of board of all such Students as may require it. No young man therefore need hesitate to apply for admission into the Seminary on account of the want of funds.
